## HOUSE MOTION \_\_\_\_\_

MR. SPEAKER:

I move that House Bill 1209 be amended to read as follows:

- 1 Delete everything after the enacting clause and insert the following:
- 2 SECTION 1. IC 20-12-0.5-1 IS AMENDED TO READ AS
- 3 FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 1. As used in this
- 4 chapter:
- 5 "Commission" refers to the commission for higher education.
- 6 **"Committee" refers to the committee on statewide transfer and**
- 7 **articulation established by the commission under the transfer and**
- 8 **articulation initiative, March 1, 2000.**
- 9 "State educational institution" means any university, college, or
- 10 other educational institution, existing on or after March 29, 1971, in
- 11 Indiana, for the purpose of providing programs of collegiate or
- 12 university education or other postsecondary education and which is
- 13 supported in whole or in part by appropriations made by the general
- 14 assembly.
- 15 "Vocational education" means any postsecondary vocational,
- 16 agricultural, occupational, manpower, employment, or technical
- 17 training or retraining of less than a baccalaureate level that:
- 18 (1) is offered by a state educational institution; and
- 19 (2) enhances an individual's career potential.
- 20 SECTION 2. IC 20-12-0.5-8 IS AMENDED TO READ AS
- 21 FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 8. The commission
- 22 shall have the following powers and duties:
- 23 (1) To develop, continually keep current, and implement a long
- 24 range plan for postsecondary education. In developing this plan,

1 the commission shall take into account the plans and interests of  
2 the state private institutions, anticipated enrollments in state  
3 postsecondary institutions, financial needs of students and other  
4 factors pertinent to the quality of educational opportunity  
5 available to the citizens of Indiana. The plan shall define the  
6 educational missions and the projected enrollments of the various  
7 state educational institutions.

8 (2) To consult with and make recommendations to the  
9 commission on vocational and technical education within the  
10 department of workforce development on all postsecondary  
11 vocational education programs. The commission shall biennially  
12 prepare a plan for implementing postsecondary vocational  
13 education programming after considering the long range state  
14 plan developed under IC 20-1-18.3-10. The commission shall  
15 submit this plan to the commission on vocational and technical  
16 education within the department of workforce development for its  
17 review and recommendations, and shall specifically report on how  
18 the plan addresses preparation for employment.

19 (3) To make recommendations to the general assembly and the  
20 governor concerning the long range plan, and prepare to submit  
21 drafts and proposed legislation needed to implement the plan. The  
22 commission may also make recommendations to the general  
23 assembly concerning the plan for postsecondary vocational  
24 education under subdivision (2).

25 (4) To review the legislative request budgets of all state  
26 educational institutions preceding each session of the general  
27 assembly and to make recommendations concerning  
28 appropriations and bonding authorizations to state educational  
29 institutions including public funds for financial aid to students by  
30 any state agency. The commission may review all programs of any  
31 state educational institution, regardless of the source of funding,  
32 and may make recommendations to the governing board of the  
33 institution, the governor, and the general assembly concerning the  
34 funding and the disposition of the programs. In making this  
35 review, the commission may request and shall receive, in such  
36 form as may reasonably be required, from all state educational  
37 institutions, complete information concerning all receipts and all  
38 expenditures.

39 (5) To submit to the commission on vocational and technical  
40 education within the department of workforce development for its  
41 review under IC 20-1-18.3-15 the legislative budget requests  
42 prepared by state educational institutions for state and federal  
43 funds for vocational education. These budget requests shall be  
44 prepared upon request of the budget director, shall cover the  
45 period determined by the budget director, and shall be made  
46 available to the commission within the department of workforce

development before review by the budget committee.

(6) To make, or cause to be made, studies of the needs for various types of postsecondary education and to make recommendations to the general assembly and the governor concerning the organization of these programs. The commission shall make or cause to be made studies of the needs for various types of postsecondary vocational education and shall submit to the commission on vocational and technical education within the department of workforce development its findings in this regard.

(7) To approve or disapprove the establishment of any new branches, regional or other campuses, or extension centers or of any new college or school, or the offering on any campus of any additional associate, baccalaureate, or graduate degree, or of any additional program of two (2) semesters, or their equivalent in duration, leading to a certificate or other indication of accomplishment. After March 29, 1971, no state educational institution shall establish any new branch, regional campus, or extension center or any new or additional academic college, or school, or offer any new degree or certificate as defined in this subdivision without the approval of the commission or without specific authorization by the general assembly. Any state educational institution may enter into contractual agreements with governmental units or with business and industry for specific programs to be wholly supported by the governmental unit or business and industry without the approval of the commission.

(8) If so designated by the governor or the general assembly, to serve as the agency for the purposes of receiving or administering funds available for postsecondary education programs, projects, and facilities for any of the acts of the United States Congress where the acts of Congress require the state to designate such an agency or commission. However, this subdivision does not provide for the designation of the commission by the governor as the recipient of funds which may be provided by acts of the United States Congress, received by an agency, a board, or a commission designated by the general assembly.

(9) To designate and employ an executive officer and necessary employees, to designate their titles, and to fix the compensation in terms of the employment.

(10) To appoint appropriate advisory committees composed of representatives of state educational institutions, representatives of private colleges and universities, students, faculty, and other qualified persons.

(11) To employ all powers properly incident to or connected with any of the foregoing purposes, powers, or duties, including the power to adopt rules.

(12) To develop a definition for and report biennially to the:

- 1 (A) general assembly;  
2 (B) governor; and  
3 (C) commission on vocational and technical education within  
4 the department of workforce development;  
5 on attrition and persistence rates by students enrolled in state  
6 vocational education.
- 7 **(13) To develop and maintain a computerized interactive**  
8 **student accessible web based system of courses and programs**  
9 **that are transferred between state educational institutions**  
10 **and submit a report to the legislative council not later than**  
11 **August 30 of each year on the status of the transfer of courses**  
12 **and programs. The report must include any changes made**  
13 **during the immediately preceding academic year.**
- 14 **(14) To direct the activities of the committee, including the**  
15 **activities set forth in subdivisions (15) and (16).**
- 16 **(15) To develop through the committee statewide transfer of**  
17 **credit agreements for courses that are most frequently taken**  
18 **by undergraduates.**
- 19 **(16) To develop through the committee statewide agreements**  
20 **under which associate of arts and associate of science**  
21 **programs articulate fully with related baccalaureate degree**  
22 **programs.**
- 23 **(17) To publicize by all appropriate means, including an**  
24 **Internet web site, a master list of course transfer of credit**  
25 **agreements and program articulation agreements.**
- 26 SECTION 3. [EFFECTIVE JULY 1, 2003] (a) Under  
27 IC 20-12-0.5-8, as amended by this act, the commission for higher  
28 education shall submit an annual report to the legislative council  
29 by August 30, 2003. The annual report that is submitted to the  
30 legislative council by August 30, 2003, must include a comparison  
31 of the transfer of courses and programs between state educational  
32 institutions for the 2001-2002 academic year with the transfer of  
33 courses and programs between those institutions for the 2002-2003  
34 academic year.
- 35 (b) This SECTION expires September 1, 2003.

1       SECTION 4. [EFFECTIVE JULY 1, 2003] (a) **The commission for**  
2       **higher education shall complete the duties set forth in**  
3       **IC 20-12-0.5-8(13), IC 20-12-0.5-8(14), IC 20-12-0.5-8(15),**  
4       **IC 20-12-0.5-8(16), and IC 20-12-0.5-8(17), all as amended by this**  
5       **act, not later than August 30, 2005.**

6       **(b) This SECTION expires September 1, 2005.**  
      (Reference is to HB 1209 as printed February 18, 2003.)
